

## Accountants with Child Care Knowledge

Updated June 1, 2022

This list was compiled based on a small polling of child care providers and early childhood stakeholders. It is recommended that you conduct interviews before hiring an accountant to ensure they have the expertise to match your needs.

Please note that Public Health Management Corporation (PHMC) does not endorse the organizations on this list. Should you have any questions, please contact [ECEprovidersupport@phmc.org](mailto:ECEprovidersupport@phmc.org).
